

Practice Attendance Rules

1. All athletes are expected to be at every practice. Missing a practice for an unexcused reason will result in the next practice being spent working at the range as directed by the Director of Facilities.
2. There are only a handful of reasons why an athlete will be excused from practice. These include being ill, a death in the family, and other things which are beyond the control of the athlete or the athlete's parents. The decision of an absence being excused or not rests with the respective Head Coach. Please be prepared to respect this decision.
3. Some examples of reasons which will not be excused: academic issues, doctor appointment if not ill, family vacation, involvement in other extra-curricular activities (not an exhaustive list).
4. Each case will be dealt with on an individual basis.
5. The goal is to simultaneously encourage discipline, honoring commitments, and being a good teammate while also discouraging missing practice for reasons that are under the control of the athlete.
6. Always be on time and come prepared to work hard with a great attitude. This means you have your gun, your gear, & plenty of ammo (at least 100 rounds).
7. Use of cell phones is prohibited on the shooting range; it is recommended to leave cell phones in lockers while out shooting.
8. No acts of PDA are allowed while at practice.
9. If you have a question or concern, please speak with Trevor or Mike.
