

Pistol Team Information

Dripping Springs Shooting Team

1. Athletes are expected to attend all practices. Practices will be held every Monday from 5:00 to 7:00 pm.
2. Athletes must be able to participate in all practices and events. Athletes are expected to cover costs related to travel, lodging and ammunition.
3. Athletes must be able to attend 5-6 matches each year.
4. Practices will be held from September through May.
5. All paperwork and waivers must be filled out and signed and all paperwork must be complete before any shooting is done.
6. Athletes will need to have their own gun and bag before competition. Recommendations are provided on additional page. Team pistols are available for use until one can be purchased. Every shooter should have a range bag, ear protection and eye protection.
7. Athletes will be required to bring their own ammo for practice and competitions. They should bring at least 250 to each practice and competition. On average a shooter will go through 200 rounds per practice and in a typical competition.
8. Shooters are organized into squads of four at pistol matches. Varsity and Junior Varsity squads will be picked based on proficiency.
9. New shooters are expected to shoot in the .22 caliber division for 2 years. Students can optionally move up to 9mm.
